Copy Card Solutions for Education, Government & Corporate Markets

JAMEX™

Model 8245 – Dispenser Revalue Station

Model 9557-70
(shown with optional base)

Copy Card Benefits
- **Minimizes staff's involvement with Cash**
- **Easy for patrons to purchase and use without help from staff**
- **Value is stored on cards meaning no server back end is needed**
- **Revalue Station models can add value to stored value cards using credit cards**

Jamex 8200 Self-Service Copy Card Dispense/Revalue Stations
- **Informative touch screen**
- **Bill and or credit card payment to purchase and revalue cards**
- **Full meter reports and reconciliation**
- **Reduces staff involvement for cost recovery services**
- **Email meter and activity reporting**
